Description:

O'Donnell's latest issue of *Educational Psychology: Reflection for Action* 3rd Edition has the reflective practice framework that teaches skills necessary to know how to connect the theory to various situations.

This issue teaches critical thinking and reflective practice skills that are essential to long-term

success and growth. Reflective practice is woven throughout the text using real classroom examples, and features such as "Analyze This Lesson Plan" and "How Can I Use This" to encourage probing and examining in order to find a solution.
